

# Professional Development

for teachers, by teachers

## Know your Students

Understanding the physical, social and intellectual characteristics of your students is core knowledge for all teachers

ALLL1949 Working with students with dyslexia - understanding the condition

ALLL1950 Working with students with dyslexia – responding effectively in the classroom

ALLL1944 Working with EAL students - working with families

ALLL1951 Working with students who have experienced trauma

ALLL1945 Working with EAL students - using student prior knowledge

ALLL1952 Incorporating aboriginal perspectives, knowledge and culture

ALLL1947 Working with ASD students - teaching task skills

ALLL1948 Working with ASD students - teaching social and emotional skills

ALLL1953 Working with students with ADHD

ALLL1946 Working with students with ASD – building on fixed interests
